Email 1: Requesting an Assignment Extension

Subject: Extension Request: [Assignment Name] – [Your Full Name]

Dear Dr Kannan

I am writing to respectfully request a brief extension for the Digital Literacy due on 31 March 2026

Due to being suffering from dengue I am finding it difficult to complete the final draft to the best of my ability by the current deadline. I have already completed the data collection and resources and am committed to submitting high-quality work.

Would it be possible to submit my assignment by 5 April instead? I understand the importance of deadlines and appreciate your time in considering this adjustment to my schedule.

Thank you for your guidance and support.

Best regards,

Vasu Makkar 25BCE10568 (Digital Literacy)
